

Commercial Tyre Fitter / Mobile Fleet Service Technician.

We are looking for a Tyre Fleet Service Technician to join our fleet team in Darfield (Darfield Tyre Centre).

The right applicant would be joining a South Island based, privately owned tyre group with family values.

If you enjoy working in the service industry and pride yourself in providing top customer service, you might like to join a team who shares your values in a job.

Requirements:

- Literacy Skills - paperwork is minimal, however accuracy and neatness in recording customer details would be a priority.
- Applicants should be physically fit, in good health and capable of handling and lifting tyres and equipment.
- Applicants will need to hold a current, full clean NZ driving license.
- Applicants for this position should have NZ residency or a valid NZ work visa.

Experience is preferred, however training will be given to the right applicant if needed.

Hours of work will include on-call and some weekend work, with pay rate to be negotiated depending on experience.

If you are a good communicator, are able to work well with others and are willing to use initiative then we would like to hear from you.

Please use our website CV upload form to apply.
